

## Partnership with London Stock Exchange Group's technology platform, UnaVista

---

LSEG's technology platform, UnaVista, extends its consulting partnership outreach for regulatory reporting, reference data and reconciliation to Switzerland and Luxembourg by partnering with TALOS, as local management consulting boutique. Becoming part of one of the largest RegTech communities in the world, we seek to enhance our technical expertise to continue to provide our clients with high-quality advisory services when it comes to implementing state-of-the-art digital reporting solutions.

Wendy Collins, Global Head of Partners UnaVista commented, "We look forward to working with TALOS to help firms understand and address their regulatory requirements. The partnership will enable firms benefit from the high-quality consulting services and a solution that has been tried and tested by several global reporting regimes".

UnaVista is London Stock Exchange Group's global platform for regulatory reporting, reference data and reconciliation. UnaVista's range of business solutions help firms become more efficient and reduce operational and regulatory risk. With over 100,000 users across six continents, the multi award-winning platform processes over 8 billion reports annually helping firms comply with EMIR and MiFIR across all asset classes.

The access to the UnaVista platform, the vast repository of technical documents as well as the experts community further strengthen our expertise for reporting requirements of regulations such as MIFID II, SFTR and EMIR. Our consultants are exceptionally well positioned to advise our clients on their regulatory needs and help them to reach a competitive advantage while reducing risks and costs.
